Fellow shooters and guests:

It is my pleasure to invite you all to attend the NYSATA 150th Anniversary Empire State Shoot at the home grounds in Cicero, NY for the 2011 shooting season. The Board of Directors and myself have been working hard on improvements to the grounds to make your stay with us as memorable as possible.

This year we have three new inductees to the NYSATA Hall of Fame. We all wish to extend our congratulations to Sandy Morgan, Tim Herbstsommer and Michael Moran for their shooting accomplishments.

While you are attending shoots at Cicero, NY please remember all that this area has to offer you. The fine dining restaurants, our many golf courses, the Thousand Islands with its many shops and sightseeing cruises, and the Turning Stone Casino for gambling and fine dining to name a few.

This year I am proud to announce the donation by Blaser USA of a Blaser F3 SuperTrap Combo to be given away in Event #10, The Blaser USA Handicap. Thank You Blaser. Also, with the donation from Jim & Barbara Rosowski for Event #7 Sportsmen's Handicap, added money will be given away to resident shooters. Thank You.

We are all proud of our home grounds and the people that work so hard to give you, the shooter, the best facility and targets possible. It is our hope that you will attend our shoots and see for yourself how shooter friendly we are and what great scores you can shoot here at Cicero, NY.

I would like to thank Bonnie Whalen for coming back to her trophy case for 2011 and all the work she does and to Vince Valois for returning as trap mechanic. Thank You both.

So please come, shoot great, have fun, be safe, and enjoy your stay with us at our facility at Cicero, NY Home Grounds.

Thank you for attending our shoots.

Doug Duncan

NYSATA President

GENERAL INFORMATION

All ATA rules and regulations will be strictly enforced. Shoot management insists on safe gun handling at all times. No closed actions are allowed except in the gun rack or on the firing line. Violators subject themselves to immediate disqualification, without recourse and dismissal from the grounds. **NYS Law requires Sub-Junior shooters to be a minimum of 12 years old.**

Banks will be rotated each day. There will be a drawing made by the management at the classification office around 4:00pm in view of shooters for bank assignments for each day. These bank assignments will be posted the night before at the club houses and around the trap line. If you sign up after the bank assignments have been posted, you must take a position on the first available squad. There will be no exception to this rule. There will be a \$10.00 resquadding fee for all who resquad after the bank assignments have been posted for the day.

Targets shall be reset only after a member of the shoot committee or the target setting committee has come to the trap to review the targets.

The management reserves the right to reject any entry and/or to change the program or plan of shooting in case weather, attendance, or other factors make it advisable.

The only checks that will be accepted are U.S. checks made payable to the New York State ATA for the exact amount of your entry.

Shooters must check in with squad hustlers prior to shooting. Missed Squad Penalty: Any shooter missing his/her squad and desiring to re-enter the event shall pay a \$10.00 penalty. Make-ups: A maximum of 50 targets can be made up per event. If you miss your squad for more than 50 targets, you must be re-squadded. Shooter must come to the information window to get make-up sheets. Then proceed to the make-up area as directed.

No shooter will be called to the line. The squad will start after waiting one minute. It is the shooter's responsibility to check the bulletin board to make sure that his or her category, money options, scores and totals are posted correctly before leaving the grounds. Also, he/she is responsible for the posting of his/her sub-event scores, for accuracy in amount and sequence. It is the shooter's responsibility to notify the cashier at once in the event of error. Once the options are figured there will be no changes unless the cashier has made the error.

Shoot-offs: Twenty-five targets for singles and ten pair for doubles. A contestants failure to report after 1st, 2nd and 3rd call forfeits all rights to their respective shoot-off.

Squadding: Entries for all events will open at 8:00 AM Tuesday July 5th. Once an entry is paid for, there will be no changes or refunds allowed. (Wheelchair bank accessible for presquadding.)

All singles events will be 50 targets per trap, two traps per bank. Tuesday and Wednesday, 8 banks will be available. Thursday thru Sunday all 12 banks will be used. All doubles events will be shot 100 targets per trap. Tuesday thru Sunday 12 traps will be available. Trap banks will be numbered from east to west. We will have 3 traps setup for practice and make up shoots during the shoot. Banks to be adjusted as necessary by shoot management.

Nominations for ATA Delegate and Alternates will be made in writing. The nominations must be signed by two (2) ATA members and include their ATA membership numbers and club affiliation, if any. Nominations will be accepted at a table near the trophy display between 10:00 AM and 12:00 Noon on Friday, July 8th.

In order to vote you must present your ATA Current Average Card, sign a registration book and record your ATA membership number beside your name. Voting will take place from 12:00 Noon to 5:00 PM. The State meeting will be held at 12:00 Noon - sharp.

**CONTRIBUTIONS
FOR THE NEW YORK STATE HOME GROUNDS
FOR 2010**

We, the Officers and Directors of the New York State Amateur Trapshooting Association, want to thank all of the people who attended the Empire Grand, NYS Shoot, Eastern Zone and the Northeastern Grand and especially those who donated labor, equipment, cash and materials.

We would like to extend a special thanks to Wayne & Joyce Morris for their help in classifications and shoot offs. They were a great help for all four shoots at the home grounds. Larry and Joann Grenevicki did a great job and were a great help with making NYSATA a shooter friendly organization.

We also would like to thank George Hart for all of his hard work and dedication, to Mike Ryan for his hard work and equipment to get the east fence painted and Jim Davis for taking on many new responsibilities. Thank You all.

With extraordinary conditions and circumstances, we were able to complete all shoots because of your help. There are far too many others to name individually with the possibility of missing someone.

A sincere thanks

As a sportsman, you owe it to yourself to protect your eyes every time you shoot. Consider the effect on your life if your vision were impaired. We are not aware of any exceptions to the course management rule that makes eye protection mandatory.

HAROLD W. MORGAN, owner of Morgan Optical Sport Glasses, has been practicing in the optical field for over 45 years. His expertise in the knowledge of optics, colors, lenses, (prescription and non prescription), has subsequently led to consulting and advising a variety of shooting enthusiasts, trap, skeet, sporting clays, hunting, pistol, rifle, and cowboy action shooting.

Harold knows from personal experience that eye-wear can improve your overall shooting performance. We invite you to explore the sites of colored lenses and the performance they deliver. You finally have the ability to offer yourself the most desirable lens attributes for all shooting needs, without compromising optical performance!

GENERAL INFORMATION

This program, as printed, represents the Official Zone Program for each zone. The trophies and options shown are identical for each zone. While it is permissible for the Host Club, at their discretion, to add additional special registered events during the Zone Shoots, the New York State Amateur Trap Association will only sponsor events printed in this program.

Trophies: No shooter may win more than one trophy in any one event in his or her zone. However, it is possible to win a championship and an individual zone trophy. All trophies are NYS Resident trophies. All popular makes of shells will be available. We would appreciate the purchase of your shells from the club. No other vendor shall sell shells on the grounds.

It is the shooter's responsibility to check the bulletin board to make sure that their money options, scores and totals are posted correctly before leaving the grounds. Shooters are also responsible for the posting of their sub-event scores for accuracy in amount and sequence. Further, it is their responsibility to notify the scoreboard personnel immediately, in the event of error. Once the money options are figured, there will not be any changes – unless the cashier has made an error in figuring.

It is the responsibility of Ladies, Juniors and Veterans to see that they are so indicated on their entry card and on the bulletin sheets.

All ties will be shot off each day, if possible. Twenty-five targets for singles and ten pair for doubles. Any contestant leaving the grounds before a shoot-off forfeits all rights to same.

White flyer targets will be thrown at each host club for all zone shoots.

REGISTRATION CERTIFICATE

This certifies that the New York State Amateur Trapshooting Association, Inc. has been authorized to hold registered shoots per the above dates and clubs respectively. The Amateur Trapshooting Association Rules will govern the shoots and the scores will be included in the Official Records.

PRE-SQUADDING INSTRUCTIONS

Pre-squadding requests for all NYSATA Shooting Tournaments will be posted on PreSquad.com

Empire Grand deadline is May 4th.

State Shoot deadline is June 21st.

Northeast Grand deadline is August 30th.

The non-refundable service charge of \$2.00 per position, per event, must be included with each request form. Multiply the number of positions selected by \$2.00. Starting this year there will be no entry cards issued. Anytime after 8:00 am Monday morning, you may pick up a receipt showing your squads and positions for the shoot. A shooter may only draw one position per event. Any shooters wishing to squad together must fill out only one application indicating the shooter's full name, ATA number and handicap yardage on the line indicating the position that shooter wishes to reserve.

Please use duplicate forms if you are squadding different shooters for some events (e.g. if you are shooting with one group for singles and other shooters for handicap, use one form for singles and another for handicap.)

Chair shooters should identify with a note attached to the form indicating name, ATA number and position(s) requested for the chair shooter(s).

Applications for full or partial squads that do not have the required information will not be processed. A shooter wishing to switch positions with another shooter must have both ATA numbers and present them to a point of sale cashier.

SHOOTERS DESIRING TO CHANGE SQUADS AND/OR POSITIONS IN AN EVENT MUST RELINQUISH THE POSITION THEY ARE HOLDING BEFORE BEING ELIGIBLE TO REQUEST A NEW POSITION.

Please make sure you are using the correct form for the shoot you are requesting. All applications should include the proper form(s) and a check in the appropriate amount made payable to NYSATA.

Send completed forms along with your check payable to NYSATA (in U.S. Funds to):
