## Sharp Knives for Sharpshooters!

Ladies, tired of mauling rather than slicing your tomatoes?

Has your SO been promising to sharpen your knives but can 't seem to get around to it? I will be at the Utah State shoot Tue. - Sat. to shoot and sharpen knives! Clean out your knife drawers and bring them by to be thoroughly spoiled by a sharp knife!

If we don 't connect at the SFGC, I will be at the Wyoming State shoot, Western Zone shoot and the Western Grand.

See you there and good luck shooters!
