Registration Certificate

This certifies that the 2014 Virginia Hall of Fame, the Virginia State Trapshoot and the Virginia Grand Old Dominion Trapshoot have been registered with and are authorized by the Amature Trapshooting Association. All events will be governed by the rules of this association and all scores will be included in the official records.

President's Message

Dear Fellow Trapshooters,

I would like to welcome you to the VTA shoots for 2014. I'm excited to announce additional sponsorships for our state shoot. Tweed's Locksmith of Portsmouth, VA is providing \$2000 added money at two events at the state shoot: the Event 7 jackpot purse will have \$1000 added money and the Event 9 high gun purse will have \$1000 added money, in both cases you must enter the option to be eligible to receive any of the additional money. Silver Seitz is providing \$1000 to enhance the Event 11 jackpot purse; again you must be entered in the jackpot purse to be eligible.

On Thursday after the conclusion of Event 5, we will have the first Virginia Trapshooting Association Side by Side Championship - 50 non-registered 16 yard targets. All ATA rules will apply except all targets must be shot with a side by side shotgun (12 gauge or smaller). We will award trophies for the first, second and third place scores; ties will be shot off until a winner is determined. Get those Parkers, LC Smiths and Model 21s out of the safe and have some fun, compete in this event, and be the first to claim the championship trophy.

I encourage all of you to support your local ATA clubs; they are the backbone of our sport and a great place to introduce your friends to ATA shooting.

I'm pleased to announce the induction of Glen W. Funkhouser into the Virginia Trapshooting Hall of Fame. I have known and competed with Glen for many years and he will make a fine addition to the Hall of Fame.

I would like to recognize the 2014 VTA Board of Directors for all of their hard work in promoting and supporting trapshooting in Virginia. Without their continued efforts and those of many others at your local clubs, we could not continue to grow and provide the sport and fellowship we all enjoy.

Good shooting to all,

Mike Jeter

General Shoot Information

The Virginia Trapshooting Association (VTA) shoots will be held at the VTA Homegrounds, Winchester Gun Club, Stephenson, VA. The VTA will have full responsibility for conducting these shoots. The VTA and the Winchester Gun Club are not responsible for accidents or injuries on the Winchester Gun Club grounds.

All current ATA and VTA rules and regulations will be enforced. The VTA reserves the right to refuse or reject any entry. The VTA also reserves the right to change the program for any reason. No entry fee options will be refunded unless an event is cancelled.

On the first day of the shoot, you can only sign up in the morning for that day; sign up for the remaining shoot program can be done that afternoon.

All targets will be shot 50/50 on 6 banks, 2 traps per bank. All handicap and 16-yard targets will be shot 5 per station. The squad leader has the responsibility to keep the squad moving through the 50 targets in a timely fashion.

Squads may be reassigned different fields because at the discretion of management. If you are on a late squad, do not sign up for an early squad for the next event.

The two practice traps will be the last two traps at the right end of the firing line. There is sufficient parking at that location with an access road. Cost is \$2 for 10 targets and \$4 for 25 targets.

Shootoffs will be carried over to the next day when permitted.

All options are percentage.

If not won, 50s money will carry over to the next event. High score in the last 50s event will win.

For the State Shoot: Presquadding will be available on Presquad.com beginning about May 18th and continuing until June 27th. This will allow you the best selection of squads and posts.

All American points will be awarded in events marked ^{AA} after the event title.

Virginia Trapshooting Hall of Fame, Inc.

Officer and Directors:

President: Andrea Smith

Vice President: Alan Corey

Treasurer: Bob Igou

Secretary: Audrey Sharp

Directors: Dallas Berry, Lucien Charette and Gary Holderman

The Virginia Trapshooting Hall of Fame, Inc. (VTHOF) is a non-profit organization separate from the VTA. It seeks to encourage participation in trapshooting among the younger generation through supporting youth programs and education at the VTA gun clubs. The VTHOF was incorporated in January, 2002 and has a tax-exempt status as defined under section 501(c)(3) of the IRS Code. During the past several years, the VTHOF has:

- 1) Assisted Sub-Junior and Junior shooters with reduced (1/2) price target fees for certain events during the State, VTHOF and Old Dominion shoots.
- 2) Supported the VA 4-H Education Council by supporting 2 shooting stations during the 4-H Championships.
- 3) Purchased the VTHOF plaques for all Hall of Fame Inductees and the club display wall.

In the future, the VTHOF also plans to:

- 1) Support the AIM Program in procuring entry level equipment or trophies.
- 2) Provide assistance to the Boy Scouts in acquiring accreditation for receiving merit badges through shooting and shooting education classes.

The VTHOF also oversees the annual selection process for inducting a Virginia shooter into the Virginia Trapshooting Hall of Fame. Selection is based on superior marksmanship or outstanding efforts made by individuals on behalf of trapshooting in Virginia. Plaques honoring all VTHOF inductees may be seen in the clubhouse of the Winchester Gun Club.

This organization is supported by the generous gifts (items auctioned off during the State Shoot and cash donations) as well as challenges by individuals for matching fund donations from our trapshooting families and supporters.

If you would like additional information, have questions or suggestions for projects supporting the VTHOF functions, or are able to contribute financially, please contact Bob Igou (bobigou@verizon.net) or any of the other officers or directors listed above.

2014 Virginia Hall of Fame Inductee

Glen Funkhouser

Glen Funkhouser joined the ATA in 1988. He started shooting registered targets in 1989 and shot his way to the 27 yard line by 1991.

Glen has been on every Virginia State Team since 1991. He maintained a 99.7 singles average in 2003. Glen won all three Virginia State titles multiple times: singles in 1997, 2003, 2004 and 2012, handicap in 2007 and 2008 and doubles in 2005 and 2010. In 2013, Glen won the sub veteran singles class championship and singles championship on the way to winning the sub veteran high over all and high all round. He won multiple events at last year's Hall of Fame and Old Dominion shoots. He also holds several zone and Grand American trophies.

Glen is a member of the Winchester Gun Club and serves on the Board there. In addition, he is a youth instructor and coaches new shooters. He helps train participants to score, work in the trap houses and run score sheets during registered and non registered shoots.

Glen Funkhouser was inducted into the Hall of Fame because of his exceptional efforts both in shooting and in working and promoting the sport of trapshooting.

Paper or Plastic?

The Gold Medal line of target shooting ammunition didn't get its name by chance. Whether your discipline is Trap, Skeet or Sporting Clays, we have a load to fit your needs. Winning shooters have long preferred the Federal Premium® brand with its patented one-piece 12S3 or 12S0 wad. All you have to decide is which hull you prefer to win your own gold medal.
