Proudly presents the

2015 ARIZONA STATE TRAPSHOOTING CHAMPIONSHIPS

Hosted by the

Tucson Trap & Skeet Club

Welcome Shooters, Family and Friends,

The ASTA Board of Directors invites you to join us for the 2015 Arizona State Trapshooting Championships. We have a great program planned - trophies and added monies for residents and non-residents, reduced fees for ALL Sub Junior and Junior shooters and the excellent venue the Tucson Trap & Skeet Club offers. We are very fortunate and happy to offer the \$10,000 Martin Multiple Lewis Challenge, compliments of Bill and Lee Ann Martin.

In appreciation of your loyal support throughout the Winter Chain, the ASTA has donated funds to the Tucson Trap & Skeet Club to provide lower entry fees for participants. Shooters and families are invited to join us for a complimentary steak dinner Saturday evening, again, to show our appreciation to YOU for making Arizona the best place to shoot in the country!

A reminder that starting Wednesday ALL events are eligible for All American points and the ASTA will be providing trophies in all events so points can be awarded.

A very special thank you to our advertisers and those who have donated special awards for this tournament - your continued support is greatly appreciated.

Lastly, thanks to the entire Tucson Trap & Skeet staff for their hard work and ongoing efforts to provide you with a great tournament. Please let us know if there is anything we can do for you during the shoot!

Have a great time and...Good Shooting!

CLASSIFICATION

Classification will be in accordance with your official registered averages and known ability, per the following tables. Your singles/doubles averages must be up-to-date on your ATA Average Card to ensure proper classification. The Arizona ATA Delegate is in charge of the classification committee and all decisions made by this committee are final.

Singles

AA—97% and over
A—94% and under 97%
B—91% and under 94%
C—88% and under 91%
D—under 88%

Doubles

AA—93% and over
A—89% and under 93%
B—85% and under 89%
C—78% and under 85%
D—under 78%

Shooters who do not have the minimum number of ATA registered targets listed below will be classified as follows:

- A combined total of 1,000 16 - yard targets in the current and previous target year, no less than Class B.
- A combined total of 1,000 handicap targets in the current and previous target year, no less than 23 yards, or their assigned yardage, whichever is greater.
- A combined total of 500 doubles targets in the current and previous target year no less than Class B.
- Juniors and Sub Juniors not meeting the above handicap requirements will be classified at no less than 20 yards, or their assigned yardage, whichever is greater.

If you wish to declare a Special Category, it must be made at the time of classification/entry. Only one (1) Special Category may be declared. (*Chair Shooters are exempt from this rule*). Without such declaration, a shooter will not be allowed to compete for the applicable category trophy.

No contestant will be allowed to declare or change a special category declaration after firing his/her first shot. The only exception to this rule would be to correct an ATA classification error. After cashing, check your entry receipt and the bulletin board to ensure you have been classified correctly.

CLASSIFICATION (continued)

There will be no class advancements for this shoot. Any shooter earning yardage in any handicap event must report to Classification to have their average card punched to the new yardage prior to shooting the next handicap event. Any shooter whose yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the bulletin board.

TROPHIES

Arizona residents must have been a bona fide resident of the State of Arizona for six (6) months prior to March 24 in order to compete for resident ATA and ASTA trophies. Proof of residency may be required. Trophies are awarded to Residents and Non Residents. A shooter may only win one (1) trophy per any event.

Special Category Trophy Rules

1. A Chair Shooter whose score qualifies for more than one (1) trophy must notify shoot management as to which trophy he/she desires to accept or shoot for. The shooter must make his/her declaration 15 minutes after the scores for each EVENT are posted and before entering into any shoot-off/carry-over. If the shooter fails to make a declaration within the specified time, shoot management shall assign "Chair" as the choice.
2. Any shooter who has declared a special category at the time of classification and who is tied for Event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over, the shooter will fall back to the declared special category.
3. Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group. If there is no Event Champion trophy, a declared category shooter will take the category trophy and may not fall back to the class trophy.
4. Any special category shooter who score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies.

SHOOT OFFS & TIES

All Singles and Doubles events will carry over by sub-event to the next like events *through* the Championship events.

Handicap events will carry over by sub-event to the next like event through Friday's Handicap (Event 12) and any remaining handicap ties will be shot off Friday. However, if a shooter involved in a tie has earned new yardage, ties will be shot off the same day of the event unless all parties agree to carry over to the next like event.

Shooters who do not respond to shoot-off announcements within five minutes of the final call will forfeit all rights.

LATE ENTRIES AND WITHDRAWALS

Once an event has started shooters may enter that event for targets, trophies, options, purses and added money until entries for that event are closed. Once an event has started there will be no withdrawals for purse or option money allowed. Anyone electing to withdraw from an event will be allowed to re-enter that event at a later time, shooting for targets only. A \$20.00 resquadding fee will apply.

MAKE-UPS

No shooter will be allowed to make up more than 50 targets on the practice trap due to missed squads or gun repairs. You must report to the cashier to make up your targets no later than 30 minutes after the finish of the event.

SAFETY

Protective glasses and ear protection is required of all participants while on the firing line. This will be strictly enforced.

AMMUNITION

Tucson Trap & Skeet Club will have popular brands of target loads for sale by the box or case at current standard prices. Reloads will be permitted as long as they conform to ATA rules. No picking up of empties from the ground is allowed at any time. Pocket your empties if you wish to keep them.

CHECKS

Checks will be accepted for the amount of shooting fees only. All payments must be in U.S. funds. Canadian checks marked as "U.S. Funds" will be charged a \$25 processing fee.

The Bill & Lee Ann Martin \$10,000 Multiple Event Lewis Challenge!

Bill and Lee Ann Martin continue their amazing generosity and this year have donated **\$10,000** to the ASTA for the Martin Lewis Challenge! The Association cannot thank the Martins enough for their good will and their support of trapshooting in the State of Arizona!

The "Martin Lewis Challenge" will be a multiple event Lewis purse available on the following High Over All program events:

- ◆ The High Over All Lewis (1000 Targets)
- ◆ Multiple Singles Lewis (300 Targets)
- ◆ Multiple Handicap Lewis (400 targets)

Shooters can enter all four multiple Lewis purses or just the individual HOA, Singles, Handicap or Doubles Multiple Lewis options. For instance, if you wish to participate in the Multiple Event Handicap Lewis only, you must play that option on the first HOA Handicap Event (Event 5). Purses will be paid 5 Groups, 60/40% each group, with a minimum of 5 shooters per group. Fewer groups may be necessary if entries do not allow computation of the Lewis option.

Thank you, Bill and Lee Ann, for your continued support of the Arizona State Shoot and trap shooting in Arizona!

State Team & Rookie Target Requirements

Shooters must have registered a minimum number of targets in each discipline as listed below to be eligible for State Teams and Rookie of the Year. For State Team placement, shooters with the highest composite averages (S/H/D) in each category are selected. If a shooter's category changes during the target year, the category in which the shooter shot the longest period of time will determine the category for team placement.

The Delegate's "Rookie of the Year" Award is open to shooters joining the ATA for the first time in the 2014 Target Year (September 1, 2013 - August 31, 2014) who have registered the required minimum number of targets. The Rookie with the highest composite average for the target year will receive the award. The ASTA will also donate an ASTA Life Membership to the winner.

“Where it’s cool to shoot”

**Good Luck to All Shooters
competing at the
2015 Arizona State Shoot!**

Come visit us this summer to shoot, enjoy the cool weather, and take in the beauty of northern Arizona

NASR has Trap, Skeet, Sporting Clays, a Five-Stand venue and rifle and pistol ranges. The range is open every weekend and a great place to shoot in northern Arizona. Hours of operation are Saturday 9am to 3pm and Sunday 11am to 3pm.

For more information about upcoming events or possible closures, please visit our website or call our hotline at 928-221-1671.

To get to the range take I-40 east to the Winona exit. Then head south on County Road 82, take a right at Forest Road 128 and follow that to a left turn at the 128A road, which takes you directly to the range. If you are interested in checking out the range, keep in mind the roads to the range are dirt roads and can be rough at times. Signs for the range are posted along the way.

Special Arizona Resident Awards

The Axline Award

Mr. Bruce Axline, a former junior shooter, continues his very generous support of youth shooting by donating an ATA life membership (\$500 value) to be awarded to the high resident Junior or Sub-junior shooter in the 2015 Arizona State Singles Championship. If the winner is already a Life Member, it will go to the next high score. Ties will be shot off.

Paul Wolf Memorial Award

In memory of Paul Wolf, long time Arizona ATA Delegate and ASTA board member, Joyce and Nick Nichols of Champion Awards have donated a custom made belt buckle to be awarded to the resident Sub Junior or Junior with the highest composite score in the All Around Championship Events (Singles, Doubles, Handicap).

Thanks, Joyce and Nick!

The Williams Awards

Gerry and Kristi Williams have graciously provided trophies for the Resident Lady II Runner up winners in the Championship Singles, Championship Doubles, Championship Handicap, the High All Around and the High Over All events. The ASTA and the recipients, thank you for your continued generosity.

Arizona Trapshooting Trivia

Early records reflect that organized trapshooting took place within Arizona prior to Statehood, dating back to 1912 and indicate the first State Tournament occurred in 1914 and continued yearly until 1932.

No records of tournaments exist between 1933 and 1948, however, in 1949 shooters reorganized to conduct an annual State Tournament which was held at the Tucson Trap & Skeeet Club. In the February 1949 issue of the Sportsmen's Review, they featured the "First Annual Arizona State Trap Shoot" citing "many shooters from 19 different states were in attendance." The article went on to say "some 25 years ago, Arizona held regular state shoots with large attendance, but the old timers have gone."

In June 1971, the Arizona State Trapshooting Association was incorporated and By-Laws adopted.
