

A NOTE FROM THE PRESIDENT

“The 125th Kansas State Shoot”

Hard to believe through good times and bad The Kansas State Shoot has been around for 125 years. Do you think it was the money or the competition? My bet is the friendship and good times kept bringing them back. Never more evident than today, The Kansas State Shoot is one of the most attended state shoots in the Midwest. That Midwestern Hospitality is always evident at this event.

This year we are fortunate to have great sponsors like Jim and Pat Overstreet donating \$10,000.00 to both in and out of state shooters in the championship events. Shane Naylor of Remington sponsoring Remington Day Thursday with an Ice Cream Social and a shoot out immediately following the days events. This year prizes are a Remington 700 SPS Tactical in 308, a Remington 1911 R 1 45 cal handgun, and a Remington 597 HB 22 cal rifle.

White Flyer Target Company is graciously again donating the trophies for Tuesday’s events as well as sponsoring a \$1,000.00 shoot out Tuesday night.

On Wednesday make sure you enter all the events for the best chance but most importantly the Kenneth Johnston Handicap for a chance at a shootout in your yardage group for **BIG CASH PRIZES**. A Big Thank You to Bruce Davis and Fred Smith for sponsoring this “2014 Champions Shootout”. See program for further details.

The Taylor Companies of Manhattan will provide a Fried Chicken Dinner (catered by Chicken Mary’s of Pittsburg, Ks) to all shooters and there families Thursday evening.

For the first time this year All American points will be given for 2nd and 3rd place category shooters with the “Kansas All American Points Pin”. All trophies in state and out of state will be identical.

Speaking of good times, the Kansas Trapshooting Association Hall Of Fame banquet will be held Friday evening. This years inductee is Ms. Sandra McAllister. Sandra has been an integral part of the KTA for the past 10 years, she continues to serve the shooters of Kansas as State Secretary, Treasurer, and Computer Services Manager. Seems like anything that needs attention gets dumped on Sandra and as always she answers the call. Congratulations Sandra and Thank You from ALL of us.

If you stop to think back of all this organization has done over the past 10 years you will ask yourself how did it happen. A new trap line complete with new Pat Traps, concrete houses, and fields. A new Hall Of Fame building to hold not only are banquets , but our memorabilia as well. A new shower house that can double as a place to seek shelter in the case of an emergency. The list goes on and on and it is ALL because of the hard work and generosity of the shooters that care about The Kansas Trapshooting Assoc.

I can’t begin to Thank You for all the sacrifices that you The KTA Directors and Officers past and present as well as the shooters have done to make your KTA “ The Premier Shooting Facility in the Midwest”.

On a personal note, I must take this time to Thank the Shooters of Kansas for there trust and support. As the time grows short on my official tenure as a member of the ATA Executive Committee I want to stop and Thank all of you that helped me pursue the dream of a kid from Council Grove.

Shooters and Friends, Enjoy “ The 125th Kansas State Shoot” !!

Any shooter whose class or yardage is changed for any reason shall be considered to have been notified when the new class or yardage is posted on the bulletin board.

2. Any shooter failing to carry out rule #1, or who shoots in a class or yardage higher or lower than that assigned by the Handicap Committee will be subject to penalty and will not be eligible to share in any money division or trophy whatsoever.

“2014 Champions Shootout”

Immediately following event #6 we will draw (20) names randomly from entries in events 4-5-and 6, (5) from each of the 4 yardage groups. Obviously you must shoot Event 5, The Kenneth Johnston Handicap, to be eligible. The more events you shoot on Wednesday the more chances you have to win.

We will then squad all shooters on 4 traps by yardage groups. Shooters will shoot two shots from each post starting at the 19 yard line and slide back two yards after each post.

This means ALL shooters will start on the 19 and end on the 27. In the case of a tie all shootoffs will be from the 27. Each of the 4 traps will have a 1st, 2nd, and 3rd place finisher. 1st place on each field (each yardage group) pays \$250.00 2nd place pays \$150.00, 3rd place pays \$100.00.

KTA Vice President Bruce “ROOSTER” Davis and Central Zone Director Fred “TRAP GEEZER” Smith have graciously sponsored this event. The KTA thanks them for this generous donation.

SANDRA MCALLISTER

BENEFACTOR CATEGORY - 2015

Sandra's introduction to trapshooting started in 1999 when her son Logan started shooting registered targets. At the time they felt like total greenhorns. Fortunately, they meet Becca Landgraf who took them under her wing and guided them in the right direction and answering all their questions, making their first trapshoot "a wonderful experience". As time went on Sandra and Logan attended more and more shoots, and continued to meet wonderful people everywhere they went. At a KTA shoot, Becca asked Sandra if she would help Mike Miller enter scores into the computer. She was doing nothing other than sitting and watching, so she said sure. After that shoot KTA President Rob Taylor approached her about taking over the KTA computer job on a full time basis. This was a hard decision for Sandra to make and she thought about it for a long time. Sandra finally accepted, and since that time has never looked back. As the years have passed, she has accepted with pleasure more and more responsibilities for the KTA. Even though she has never fired at one of those little orange things, Sandra truly loves the sport. The KTA does and will always hold a special place in her heart. None of this would have been possible without the support of Sandra's family (especially her wonderful and understanding husband, Carey) and the tremendous office staff at the KTA, Linda Brehm, Joan Taylor, Janie Grandstaff, Nancy Bock, Shari and Keira Parr. All of you have made her job much easier. Other special people that have helped guide her along the way are Becca (the lady that got this all started), and David Rhoads and Mike Miller who were always there when she had a question about the shoot program. Sandra truly appreciated your guidance. Finally, Sandra would like to thank Rob Taylor for his constant support as she continues her work for the KTA, and for all that she has learned while working with him. Sandra will always cherish the friendships that have developed with each and every one of you. If it would not have been for the KTA, these friendships would never have developed. Trapshooting is a wonderful sport. It has given her family the opportunity to meet new people and make friends in the state of Kansas as well as surrounding states. Sandra's work at the KTA has helped expand these friendships. Her family will truly cherish each and every one of them.
