Welcome to the 102nd annual

North Carolina State Trapshoot!

Billy & Susan Thigpen

Dear Shooters,

The NCTA BOD, the NCTHOF BOD, and I wish to invite you to join us for the 102nd annual North Carolina State Trap Shoot. It will be held on June 10-14, 2015 at the N.C. Home Grounds in Bostic, N.C.

We wish to thank all our advertisers in our State Shoot program. You are, in no small way, important to the success of our Association. Others have given time, money, and /or material goods to help insure the continued growth of trap shooting on both the state and local level. You are also vital to a successful trap program in N.C. We cannot thank you enough.

We will continue to offer some of the added events that we offered last year. On Wednesday, there will be an unregistered 50 bird handicap event. On Thursday, we will offer a miss-and-out with buy backs followed by a free hot dog supper sponsored by Bob Schultz. Both these events will occur after the shoot offs. Saturday night we'll have a complimentary Shooters dinner catered by Forest City Fish Camp.

We will use 13 Pat Traps, ERAD voice releases, and orange dome White Flyer targets. A 50/50 bank system on adjoining fields will be utilized. Our target setters are still the same and we will offer the best targets possible.

With over \$10,000 dollars in cash and trophies available, there should be something for everyone. Check the program carefully for added options and open, resident, and non-resident trophies. North Carolina sub-juniors and juniors who have met the target requirements may shoot the championship events FREE. However, they must pay the \$6.00 daily fee.

The State AIM Championship will be slightly different this year. It will be shot in conjunction with the state singles, handicap, and doubles championship events. Singles will include all 200 championship targets on Saturday. Handicap and doubles will include all championship targets on Sunday. All North Carolina shooters up to age 23 are eligible. Please encourage any young shooters you know to participate.

Questions may be addressed to Jeff Galloway at 919-357-6859.

Looking forward to seeing you,
Marty Hill
NCTA President
