CLUBHOUSE OF THE CEDAR FALLS (IOWA) GUN CLUB, INC.

This club owns 40 acres of level ground and on account of the sandy soil, never has any mud. The equipment consists of four traphouses, all built over concrete pits, and a modern skeet field. The runways are concrete and a car load of targets can be stored in the traphouses. Several State shoots have been held there and the Northeast Iowa Zone shoot will be held there on July 6. A clear skyline and a bunch of good fellows make this one of the best shooting grounds in Iowa. And everything is paid for, including 36,000 targets; money in the bank and no bills. Earl Eiler is secretary.

## GENERAL INFORMATION

A.T.A. rules will govern this tournament and will be strictly enforced. All targets are registered. Additional I.S.T.A. rules are listed below.

The State Executive Committee has complete charge of this shoot. Their decisions in all matters will be final.

Double check your entry cards. Be sure your Class, Yardage and all other information is correct and is legible.

Office Hours:

Tuesday & Wednesday – 8:00 am - 4:30 pm

Thursday, Friday & Saturday – 7:30 am - 4:30 pm

Sunday – 8:00 am - End of shoot

***No shooter will be considered entered until their entry is paid.***

The 2017 State Shoot trapline will be arranged 1 to 17. Targets will be shot 50 per trap. Starting at 11:00 am, July 18, shooters may squad for the entire week by PICKING THEIR TRAP. You must be classified and have a current ATA and ISTA membership prior to squadding. Squadding will be handled on a first come first serve basis.

All purses and options must be played when entering; no additions or cancellations permitted after entry is made.

***No entries refunded unless the event is cancelled.***

All events will be held rain or shine.

During rush periods it will be necessary to take entries for that day only.

All information needed to: Award Trophies, Award Added Money and make report to the A.T.A. is taken from the scoreboard Bulletin Sheets. It is each shooter's responsibility to check all scores and information for each event, and be sure they are correct. The Bulletin Sheets will be left up for one hour after the last score sheet is posted for the event. Once the Bulletin Sheets have been removed from the Bulletin Board, all purses, options, added money, etc. will be figured from the scores that are posted when they are removed. ***We will not refigure any money because a wrong posted score is brought to our attention the following day.***

The scorer must call upon an I.S.T.A. Official to settle any controversy regarding a score, or when an error has been made by being ahead or behind in their scoring.

The Executive Committee reserves the right to call off or to change any portion of the program due to bad weather or other just causes.

***If students are concerned about their amateur status, they should forfeit all trophies and added money.***

All Lewis money will be paid 60-40% (percentage).

All class and yardage purses are paid percentage unless otherwise noted.

DAILY FEES: ATA \$3.00; ISTA \$3.00 plus tax or \$6.42.

## SHOOTER'S RESPONSIBILITY

**All Iowa Shooters must have their current I.S.T.A. Membership Card.**

**All Shooters must have their current A.T.A. Membership Card.**

**All Shooters must have all scores posted and averages figured on A.T.A. Card before presenting it to the Classification Committee or shoot penalty class and yardage.**

BE READY TO COMPETE WHEN YOUR SQUAD IS CALLED TO THE FIRING LINE. THERE WILL BE NO WAITING FOR A LATE SHOOTER. A change in the ATA rules (Section VII Par. A, 6 (pg 27) states: "A shooter that misses the first post in any event may make up that post only, and continue with the squad. Squad members should move off the line during the shoot up function." If you miss more than one post, report to the office.

Squad hustlers have the authority to move squads to different nearby traps at any time. This will be done in an effort to expedite the progress of events.

All squads must shoot in their correct numerical sequence. All shooters must shoot in the squad and position as assigned to them by the office. To do otherwise means disqualification.

A shooter can only make up one sub-event on the practice trap and the balance of the targets will not be scored. If you are unable to join your squad when they start their second sub-event, you must be resquadded and pay a \$10 resquadding fee. All make-ups please report to an I.S.T.A. Official at the practice trap. If the event has been closed and there is no place to resquad, you will not be allowed to make-up.

**A fee of \$10 will be charged if you change your squad AFTER you have entered the event. This fee will be enforced at the 2017 Iowa State Shoot - no exception!** If the office changes you because your yardage changes, no fee will be assessed.

Check score after each completed post, and be sure they are scored correctly before firing at a target on the next post. **Any target scored both dead and lost must be identified in writing or the target will be scored as lost in the office.**

Only errors in addition can be corrected after a score sheet leaves the trap.

High scores and ties in each class will be advanced one class for the next day's competition, except where noted in the program. Yardage winners report to classification desk. Shooters responsibility or be disqualified.

## AIM Shooters

AIM shooters will be able to compete for AIM medals in the Championship Doubles on July 21, 2017, the Singles Championship will have AIM medals and Shamrock Leather awards on July 22, 2017 and AIM medals will be awarded in the Handicap Championship on July 23, 2017. Out of State AIM shooters will be awarded AIM medals in all three events. The AIM awards are in addition to any ISTA and/ATA trophies a shooter wins.

AIM shooters should declare that they are AIM members and what Category (age group) they shoot in when they go through the classification line. Note: if you are age 11 or under tell the classifier you are a Pre-Sub.

AIM shooters are required to have current 2017 ATA, AIM, and ISTA (if residents of Iowa) memberships. If necessary you can pay your memberships when you pay for your targets. AIM shooters can shoot on any squad they want except to be eligible for the AIM team awards they must shoot on the same AIM 5 person squad. Mixed AIM squads are allowed, but they will compete in the category of the oldest AIM shooter. AIM shooters may pre-squad; if you do be sure to squad with the 4 shooters on your team. You are not required to pre-squad.

Ties for AIM awards are not shot off. They are resolved by reverse score by sub event.

16 Shamrock Leather will be awarded to Iowa resident AIM shooters in Saturday's Singles. (Champion and Runner up for both Men and Lady in all 4 age categories) In addition there are 20 Shamrock Leather team awards for the Iowa AIM team winners in all 4 age categories. Note: the Pre-Sub awards are on the first 100 only.

Shamrock Leathers has again this year graciously donated a 8 box leather bag to the Iowa State AIM Shoot. The bag will be given away by a lucky number (0 to 9) drawing at the end of the Singles Championship Event. For Pre-Subs it will be the last number of their 1st 100 score, for the other categories it will be the last number of their 200 score. Ties will shoot off miss and out.

# 17 TWO FIELD BANKS – 50 TARGETS PER FIELD

The traps are numbered 1 to 17, going east to west. All events will be shot 50 targets per trap. The numbers on the traphouses will not change for the duration of this shoot, so the starting traps will be the odd numbers. For example, squad 1 will start on trap 1A, squad 2 on trap 2A, squad 3 on trap 3A, and so on. If you are scheduled to shoot on trap 12A, you will shoot your first 50 targets there, and your second 50 on trap 12B.

## PRE-SQUADDING RULES

We are offering an optional pre-squadding service by mail in forms located in this program. All mail in requests will be processed based on date received. There is a \$2.00 per event non-refundable charge, payable when pre-squad form is submitted. The service charge is not applicable towards entry fees. No request forms will be accepted after July 17, 2017.

1. When you squad for a position in any event, that position is now electronically assigned to your ATA number. When you present your plastic ATA card at the cashier counter, the cashier will enter you into that assigned position for the events you wish to pay for. If you do not wish to enter an event that you have previously squadded for, you may release that position at any squadding or cashier window.
2. In an effort to avoid unused positions, it is imperative that you either cashier or release all positions you have pre-squadded for prior to the event. **Anyone who does not cashier or release positions that have been pre-squadded in their names will risk having any or all subsequent pre-squadded positions in their name released by management.** You may call the office at 319-987-2141 if you can not make it to the club in time and have your position(s) released.
3. **A shooter may only draw one position per event.** Any shooters wishing to squad together must fill out only one application indicating the shooters full name, ATA number, and handicap yardage on the line indicating which position that shooter wishes to shoot. Applications for full or partial squads that do not have each shooter's information completely and properly filled out will not be honored. **Multiple applications for any individual will be discarded and will not be refunded. The first application encountered will be processed only.**
4. The times requested for pre-squadding will be limited to three flights as follows:
  - (E)arly – 1st Flight
  - (M)iddle – 2nd Flight
  - (L)ate – 3rd FlightPlease circle on the pre-squad form if your priority is, time or trap, in case your selection is full.
5. **Squadding will follow ATA rules.**
6. Telephone requests will not be honored.

## BIGGER AND BETTER THAN EVER

That 4-27th is the 1946 Iowa State shoot. More shooters shot.

More shooters shot. More women shot.

More of everything. More than 200 shooters participated in the championship 300 single Sunday, August 5, an all-time high.

In fact there was a lot of everything that has happened here and there since the 1947 tournament. Will Scourick was the champion, Harry Van De Steeg, 386x400.

Will Scourick was the champion, Harry Van De Steeg, 386x400.

Will Scourick was the champion, Harry Van De Steeg, 386x400.

Will Scourick was the champion, Harry Van De Steeg, 386x400.

enough?? Can the program be changed without harm?? What kind of form is going to be necessary handle it?? All of these things will be big problems.

The Cedar Falls grounds were in excellent shape. The call the best served at state shoot. Frank and Molly did their usual very efficient job behind the counter. The ranking of advanced entries by mail got a lot of the hard work out of the way and saved much time in the line up before the window. There should be a lot of these each year.

The Oldtimers continually marking about the out-of-state shooters present and about the greatly increased number of new shooters. And how of them how shooters did perform, but more about that later.
