SQUADDING

PRE-SQUADDING INFORMATION

Pre-Squadding Information Due to the Corona virus (COVID-19) we ask that you please help us eliminate the overcrowding of our club house and long lines by using www.presquad.com we have added this pre-pay form to our website https://www.cognitofirms.com/MTA9/_2021MissouriStateShoot This pre-pay form can only be used after you have pre-squadded. You will be able to cashier completely including all targets, fees and options. Preclassification only, you can email Steve Ricketts at srickett@sbcglobal.net. By doing this it will help us abide by the "social distancing" regulations inside the club house and reduce long lines. If you are not able to pre-squad and pre-pay we will be available Monday, May 17, at 8 a.m. to classify, squad and accept entries. For this shoot to help eliminate cashing lines we have eliminated the no refund policy for both pre-squad and walk-in entries. The MTA will offer pre-squadding for this shoot using the Internet website www.presquad.com. This is a very easy system to use which lets you pick your own squads. You can return to the website anytime to review the pre-squadded shooters. Pre-squadding will start April 2nd, 2021 and end on May 10th, 2021. **To help reduce empty posts, all Pre-squad posts not paid the day before will be opened up at 8 a.m. the next morning.**

50 TARGETS PER FIELD

All events will be shot 50 targets per field. Banks are numbered from west to east. The numbers on the trap houses will not change for the duration of this shoot.

RELOCATION OF SQUADS

Please note that squad hustlers have the authority to move squads to different nearby traps at any time. This will be done in an effort to expedite the progress of events.

SHOOTERS MUST SQUAD RESPONSIBLY

Every attempt will be made to fill handicap squads. Squadding at one position in handicap events, and then actually shooting at a different position for squad can create yardage conflicts on the firing line. When squadding or returning unused posts, please remember that your actions have an impact on other shooters, in addition to yourself. Shooters that earn yardage during the shoot should check to make sure there are no conflicts with their present squads.

PRESIDENTS MESSAGE

Finally, it is that time of year again...
We get to go Trapshooting!

The Board of Directors and staff of the MTA would like to welcome all of you to the 2021 Missouri State Shoot!

This past year has been whirlwind of events, some good and some not so good, but it is time to get back into the routine and do some shooting! Please do not forget to take some time to patronize the vendors and local business, without them it just wouldn't be the Missouri State shoot.

Monday and Tuesday will once again be Preliminary days with the HOA beginning on Wednesday. There will be plenty of great targets for everyone as we continue the shoot thru Sunday.

We appreciate all of you taking the time and making the Missouri State Shoot a stop in your summer shooting routine. The lake has a plenty to offer after the day's events so go out there and have some fun in the sun and also under the lights.

Thanks again to our Sponsors, Advertisers, Vendors, Staff and most certainly the Shooters. You make this event what it is and we couldn't do it without you.

Todd Albers
Todd Albers - President

GREETING FROM THE MANAGER

The Staff and I would like to welcome everyone to our 2021 Missouri State Shoot. It is our main priority to provide a safe, secure and enjoyable atmosphere.

Being part of the Missouri Trapshooting Association Board and Management Team has been a very rewarding and memorable experience. Having said that, this will be Bob & Jeannie Rush's and my final season to greet and serve you. We look forward to seeing all of you here or other shooting event locations.

Please let us know if we can be of help at any time.

Thank you for this shoot and all other years past.

W.F.J. FIENUP HANDICAP EVENT 11

It is with great pleasure that the MTA recognizes Mr. William F.J. Fienup (better known as "Uncle Bill" to many) by naming an event in his honor at our State Shoot. Mr. Fienup was born on a farm near New Melle, Missouri, on December 16, 1890 and passed away on June 26, 1978. He took up trapshooting when he was 45 years of age, winning among many others, the Missouri State singles in 1946, doubles in 1947 and numerous trophies at the Grand over his 30 plus years attendance, remaining an active shooter past his 86th birthday. He held the Missouri high handicap average in 1937, 1940 and 1941. He was a very successful businessman in the can producing industry as President and Chairman of the Board of the R.C. Can Company which became the largest composite can company in the United States, due mostly to his ingenuity and inventions. He credited the sport of trapshooting with his success in business, believing that trapshooting trains and develops the brain by requiring concentration and practice.

Mr. Fienup's picture appeared on the cover of our programs for several years. He was single-handedly responsible for making it possible for the MTA to have permanent home grounds since 1968. He had great visions for this ground to be used for the sport of trapshooting and we strive to meet his expectations. Through his unprecedented generosity, as shooters, we have all benefited from his unselfish desire to promote our great sport. In 1967, he created and funded the Foundation For the Junior Trapshooters of Missouri, Inc., making it possible for literally thousands of Missouri youth to be introduced to trapshooting. This Foundation continues to be operated by the Fienup family and generously supports youth trapshooting.

Mr. Fienup exemplified the true spirit of a trapshooter when he said, "Trapshooting has been mighty good to me socially and in business, and whatever contribution to trapshooting I have been able to make are small compared to the benefits I have derived."
