SHOOTER'S RESPONSIBILITY

ENTRY AND SHOOTING PROCEDURE

1. Take your average card to the classification/handicap table upon arrival. Be sure your classification, handicap yardage and special category such as veteran, lady, etc., is entered into the computer by a member of the Handicap Committee before you leave the table. It shall be the shooters responsibility to inform the handicap committee as to his or her category.
2. Once classified, proceed to the cashier window for entry and reservations.
3. The cashiers will accept no counter checks or second party checks. Checks are accepted in the amount of shooting fees only - no exceptions. All entries must be made in U.S. funds. Canadian checks marked as "US Funds" will be charged a \$25.00 processing fee.
4. No shooter will be allowed to make up more than 50 targets on the practice traps if he/she has missed the squad. If you are unable to join your squad before they have started their second fifty, you must be re-squadded. All make-ups for missed squads or gun repairs report to the practice trap area within 15 minutes of when the last squad takes the line for that event.
5. By entering the competition every person agrees to accept all official decisions and to abide by ATA rules.
6. Squads will not wait for tardy members. If you miss your squad, report to the office and be re-squadded on a later squad.
7. In the case of a gun breakdown, a shooter will be allowed five (5) minutes for repair or replacement.
8. Please check your score after firing at each post. The squad captain (#1 shooter) will total the score after each sub event and initial the score sheet before leaving the trap. Errors made in totaling may and shall be corrected whenever discovered. All changes will be made in strict accordance with ATA rules.
9. All information needed to award trophies, award monies, and file ATA shoot reports is taken from the score sheets, so be sure all information is correct.
10. The use of transportation vehicles, such as golf carts and motorbikes, with the exception of wheelchairs or other means of transportation for truly handicapped persons, will not be permitted on the sidewalks or immediate area at any time for any purpose. The sole exception to this rule will be utilization of golf carts by shoot management. Shoot management will minimize the use of golf carts whenever possible and ensure the use of above vehicles is enforced.

PRACTICE

Practice traps will open daily during the tournament at 8:00 A.M. Practice tickets will be sold at the practice house window. Practice rounds are \$7.00 for 25 bird singles or 24 bird doubles.

SHOOT-OFFS

Ties will be carried over to championship events. All carry-overs will skip money shoots and will carry over to the next qualified HOA event of like kind. Handicap ties will be shot off the day of the event if a yardage advance is applied to only one shooter. Any shooter who ties for any trophy and cannot attend the next day's event for carryovers will forfeit. Shooters will receive three calls for shoot-offs. No response, shooter will forfeit.

MONEY EVENTS

Money shoot events will return four dollars of each entry fee to their respective class or yardage group. The total amount collected from each class or yardage group will be awarded to the winner(s). Money will be equally divided if there are ties which will result in no shoot-offs. There will be no category entries. Money events will not be counted in High-Over-All. All carry-overs will skip money events and carry to the next HOA like event.

RULES & REGULATIONS

COPYRIGHT © 2020 WEST PRESS, INC. ALL RIGHTS RESERVED.

1. Should you win or tie for a class in any 16-yard or doubles event, or earn yardage in any handicap event, it shall be your responsibility to report to the classification/handicap counter to have your classification reviewed or yardage increased. Any shooter whose class or yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the bulletin board.
2. Any shooter failing to carry out rule 1 above or who shoots in a class or from a yardage higher or lower than that marked on their card will be subject to disqualification and will not be eligible to share in any money division or be eligible for trophies.
3. A shooter may not win more than one trophy in the same event.
4. Shooters may declare only one (1) Category (i.e., Lady, Sub-Junior, Junior, Veteran, Senior Veteran). Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the Championship

trophy shoot-off/carry-over and has declared a Special Category, at classification, the shooter will fall back to his/her declared Category. Any shooter who has declared a Special Category at Classification and whose score only qualifies him/her for any trophy in his/her declared Category will compete for the Category trophy and not for place, class or yardage group. Any Category shooter whose score doesn't qualify for a trophy in his/her Category may compete for place, class or yardage group.

5. The target setting committee shall set targets each morning or during event changes based on predicted weather conditions and in accordance with ATA rules. Once targets have been set, only field supervisors have authority to change them. Target speed will be set by a radar gun and will be maintained uniformly on all traps. Changes will be made only if targets have become illegal or vary appreciably from original setting.
6. The management shall appoint a judge or judges to be called upon as the occasion arises. The scorer must call upon a judge to settle any controversy regarding a score or when the scorer has made an error by being ahead or behind in scoring.

CLASSIFICATION AND HANDICAP

Shooters who do not have a total of 500 16 yard targets registered with the ATA in the current and previous year shall be placed in class B or higher at the discretion of the classification committee.

Shooters who do not have a total of 500 doubles targets registered with the ATA in the current and previous year shall be placed in class B or higher at the discretion of the classification committee.

Shooters who do not have a total of 500 handicap targets registered with the ATA in the current and previous year will be assigned penalty yardage or shoot their handicap card yardage whichever is greater. Yardage assignment for Adult males is 23.0 yards. Yardage assignment for Lady, Junior, Sub-Junior, Veteran, and Senior Veteran shooters shall be 20.0 yards. Any shooter holding a card of another association will be classified at the yardage and class which is the greatest of these cards.

Shooters are required to have their 16-yard and doubles averages computed for use by the Handicap Committee. Any shooter holding a card of another association will be classified at the yardage and class which is the greatest of these cards. The handicap committee reserves the right to change a shooters classification at any time it deems necessary.
