President's Message

Fellow Shooters,

2017 is here and the busy part of this year's shooting season is fast approaching all of us in New Jersey. On behalf of the officers and directors of the New Jersey State Trapshooting Association it is with great pleasure that I invite all ATA shooters to attend and participate in our 120th New Jersey State Trapshooting Championships, the 18th Garden State Grand, the 3rd President's Shoot and our annual Northern & Southern Zone Shoots.

A lot of work and effort go into producing these events. I am honored to be part of such a wonderful group of men and women who dedicate their time to make the New Jersey State Trapshooting Association a great success. It is a group effort and I would like to thank everyone who has contributed to our organization. I would like to give a special thanks to our two Vice Presidents, Jeffrey Slimm and Tom Wolf for their continued efforts to make the NJSTA a continued success and to their dedication to our sport. Of course, I could never forget the backbone of our state association, Secretary/Treasurer/Mother Hen, Rudy Torlini. He is irreplaceable.

I would also like to take this opportunity to thank our former president Bobby Boehler. Bobby has dedicated himself to our sport and did a fantastic job as president of NJSTA and Ground Swipers. I wish Bob and his family all the best as they begin the next chapter of their lives, down in Florida.

We will be holding our annual State Meeting on Saturday June 3rd, immediately following the completion of the singles championship event. Please make an effort to attend, as we welcome everyone's ideas and participation.

Also, let's get out and support our local trap clubs, as they are what keeps our sport alive today. There are numerous ways to support your local club. Whether you help the staff with picking up empties, giving a scorekeeper a break, loading a trap, or just by your continued efforts to get to the club as often as possible for some trapshooting. These and other gestures are greatly appreciated by the clubs management and volunteers. On that note, I would like to recognize all the men and women who help with the operation of our trapshooting clubs in New Jersey. It's not always easy keeping a club running, and these people donate their time for the benefit of all our shooters. A big thank you goes out to all of them.

In closing, I look forward to seeing all of you this year and I wish you all a happy and healthy 2017 shooting season.

Best Regards,
Angelo D'Alessio
President NJSTA

Shooters Please Note: Zone Shoot Changes

The NJSTA has made the following changes to the Zone Programs, which we feel will be to the benefit of the shooters.

- The zone events will be telephonic and shooters may participate by shooting at either the North Jersey Clay Target Club or Pine Valley Gun Club for Events 4, 5, 6, for each Zone.
- **PLEASE NOTE:** During the 2018 Northern Zone Shoot, the following South Jersey clubs will be participating in telephonic shoot: Howell Trap Club and Pine Valley Gun Club.
- Zone residents **MUST** shoot at their respective zone locations to qualify for a Zone Trophy, otherwise they can only win an Open trophy.
- All ties for in zone trophies will be shot off.
- Ties for all open trophies will be determined by reverse run except scores of 100 or 200 which will have to be shot off.
- Management will not be responsible for errors on scores after the options have been figured and posted on the scoreboard.
- The Clubs reserve the right to reject any entry.
- Lunch may be obtained on the grounds.
- Anyone winning a trophy must pick it up, as no Trophies will be shipped.
- This shoot will be held regardless of the weather.
- A shooter may win only one trophy in any event.
- 25 practice targets – \$5.00

TROPHY HIERARCHY FOR ALL SHOOTS

ATA trophies are higher than N.J. or zone trophies. All open trophies are lesser. If a shooter qualifies for more than one trophy, that shooter must notify the Tournament Office within 15 minutes after that event's last scores have been posted as to which trophy he/she desires to take or shoot-off for.

Shooters may declare only one category: i.e. lady, sub-junior, junior, veteran, senior veteran. A shooter may no longer declare, for example, lady veteran. (Note: this new rule does not apply to chair shooters.)

Any shooter who is tied for event champion may shoot off/carry over for the champion trophy. If the shooter fails in the championship trophy shoot off/carry over and has declared a Special Category, the shooter will fall back to their declared category.

Any shooter who has declared a Special Category at classification and whose score qualified him/her for any trophy in his/her declared category will compete for the category trophy and not for place, class or yardage group.

A category shooter whose score does not qualify him/her for his/her category may compete for place, class or yardage group.

REGISTRATION CERTIFICATION

This certifies that the New Jersey State Trapshooting Association has been authorized to hold registered shoots. Amateur Trapshooting Association Rules will govern these shoots and the scores will be included in the Official Records.

PHILIP BARBER

ATA #3501322

Phil was born at home to Louis & Evelyn Barber of Millville, New Jersey in 1938. Phil’s dad and his brother owned the Barber Iron Foundry in Bridgeton, New Jersey and his mother Evelyn owned the Milady Shop in Millville; a popular women’s clothing store until her retirement. Phil had two older brothers Louis Jr. and Edward.

Phil’s father Louis was an avid hunter and outdoorsman from an early age, who kept food on the family table during the Great Depression with his duck hunting ability. He taught these valuable skills to his three boys. Phil was only 8 years old when he began shooting and hunting in the woods of Cumberland County surrounding Millville and in the waterways along the wild and scenic Maurice River and the Delaware Bay.

continued next page

Phil was introduced to Trapshooting by co-worker Jack Rossi of Bridgeton, New Jersey sometime around 1966. Jack's buddy Jimmy Glaspey and his father had set up a regulation Trap on their farm in Greenwich, New Jersey to shoot clay targets. Mr. Glaspey (Jimmy's dad) was a former New Jersey State champ and knew many old timers in the sport across the area including Ed Schober from Schober Apple Orchards and other big farm owners in the area who loved to shoot Trap. The Glaspey's obtained a Trap machine and had local kids set up the Blue Rocks clays. The old timers shot for money and Phil learned quick that you had to be good to shoot with the big boys at Glaspey Farms. In 1967 Phil shot his first registered shoot at the Delaware Bay Trap Club in Port Norris, NJ founded by "Pop" Robbins and his two sons Lee and Dave.

Phil soon introduced Trap to his lifelong buddies: Bill "Trouty" Trout, Tom Kates, and Eddie Whitehead all from Millville who along with Jack Rossi and Dave Robbins from Port Norris enjoyed the sport of Trap Shooting together at local clubs including Pine Belt in Shamong, NJ and Pine Valley in Atco, NJ along with many other clubs in the Mid Atlantic region. Phil has fond memories of many shoots with the "Southern Boys" in Delaware and Maryland at many different clubs.

The group of buddies shot together and had many good times while competing and teasing each other. All the guys made fun of Phil's rather unique stance preparation and body positioning and have many stories going back decades. Phil's favorite happened over 40 years ago when he won a silver ice bucket at a Westy Hogan shoot in New York. On the way home, Phil bet Eddie Whitehead that he couldn't shoot the ice bucket if it was hand tossed into the air. Eddie took the bet...and the guys quickly pulled into an abandoned gravel pit for the challenge. Phil threw the bucket and Eddie took a shot, that missed! After the bucket hit the ground with a thud, Eddie took a second shot, and still only managed "to hit the bucket with one pellet". Phil still keeps this ice bucket with the single pellet dent as a keepsake.

During Phil's shooting career, he has registered 77,800 singles, 68,200 handicap and 5,000 doubles targets.

LOU PAGLIUGH

ATA #0000148

Lou was born in March of 1890; he grew up on his Dad's farm in Vineland New Jersey along with his seven siblings. His parents had immigrated to America from Italy in the 1800's. They had a peach orchard and grew mainly sweet potatoes and other vegetables on their thirty acres. Besides growing crops Lou's Dad and uncles opened a Country Store where they sold their various crops along with general merchandise, including gasoline and repairing automobiles. Growing up, Lou was exposed to his father's passion of hunting small game in the area. Lou would go hunting small game with his Dad and uncles. Lou married Minnie in 1920 and they decided to build their own three bedroom house. Hunting in that area at that time in New Jersey was so good, that doctors, lawyers and other hunters from the Philadelphia area would travel to Louis's home and sleep over for a few days for guided hunts. Selling shooting supplies and firearms began innocently enough, Lou started out purchasing shells and components for himself and because they lived in a remote area of the State, his neighbors would ask him to buy ammo for them too. His son Robert worked with his Dad in building the business. Louis Jr. followed in his uncle's love of auto repair and had his own repair shop. Lou started out converting the "Family General Store" on his farm, initially retailing ammo, components and firearms and eventually wholesaling as well. As time went on, he kept adding additions to the existing store, to accommodate the expanding business. Lou helped small clubs throughout the area promote shooting clay targets. Clubs that couldn't afford the upfront cost of buying targets and shooting supplies, Lou would let them pay for them after they were sold. During all this time Lou was also becoming a great trap shooter winning awards in the area, State, and region of the country. Lou's initial State Championship was the 1934 New Jersey State handicap Championship where he recorded a State high of 93x100. His next State Championship was the 1938 New Jersey State Singles Championship with a 198x200. Then in 1955, at the age of 65, he captured the New Jersey State All Around Championship with 370x400. Shoots at Pine Belt in the summer always had a bushel of Lou's sweet peaches on hand for free. Lou passed away in 1964 at the age of 75. He was married to Minnie nee Schneider in 1920; they had two boys Louis Jr. and Robert and nine grandchildren. During his shooting career he shot at 31,875 singles, 13,400 handicap and 11,810 doubles targets.

No trapshooter may compete for ATA trophies unless, for the immediately preceding six (6) months, he/she has been a bona fide resident of the state of NJ. If there is a dispute with respect to the residence of a shooter entering this tournament, it shall be the duty of the NJSTA to rule on a shooter's right to shoot as a NJ resident and any such ruling shall be final.

THE STATE SHOOT – The State Association will contribute \$ _____ in cash prizes.

THE GARDEN STATE HANDICAP CHAMPIONSHIP – The State Association will contribute \$750.00 to be distributed to the top four scores in the Garden State Handicap Event.

THE JERSEY DRAW – All participants will be eligible for the following trophies this year via the Jersey Draw for Event No. 5.

- \$500 in Gift Certificates (\$300, \$125, \$75) donated by Cheyenne Mountain Outfitters,
Route 130 in Robbinsville, NJ.

SHOOTERS PLEASE NOTE – During all NJSTA trapshooting tournaments there will be “No” saving of any posts on a squad. Shooter Classification must be completed before any shooter is squadded. An updated PAPER average card, or a recent card printout from the ATA website is required at the time of classification. All unpaid positions will be released 30 min after the start of an event. A fee of \$5.00 may be charged for each person that is re-squadded.

2017 STATE SHOOT ATTENDANCE PINS – Pins will be given to attendees when they classify. There are a limited amount of pins available.

GUN FOR HIRE SHOTGUN-SHOOTOUT OPTION

Gun For Hire has graciously donated a new Remington 870 Classic Trap, 12 Gauge Target Shotgun to the NJSTA to be awarded to the winner of a 3 day, 3 event option, subject to the random drawing of 50 names who will shoot off for this amazing prize on Friday following the day's events (7-9) of the New Jersey State Championships.

To be eligible for the drawing and shoot off, shooting participants must play the "Gun For Hire Shootout Option" offered during qualifying handicap events 2, 5, and/or 8. A \$10.00 fee will be required for each of the shotgun-shootout options you may wish to participate in. It is not mandatory for anyone to play the option in all of the qualifying events. Each day a shooter plays the shotgun-shootout option his/her name will be entered into the random drawing. The maximum entry for any one shooter is three. A participant is only permitted one spot in the shoot off. If a shooter's name is drawn more than once the second and third selection will be discarded and another name will be drawn until 50 different shooters have been selected. If a total of 50 different shooters do not play this option during the 3 qualifying events, then all of the individual shooters that played the option at least once will shoot off.

Shooters that have been selected to shoot off by random draw will shoot from his/her handicap yardage that he/she shot from on the first day that he/she opted to play this shotgun-shootout option. If during a preliminary event a participating shooter was penalized for a lack of the minimum targets required and achieves the necessary targets and is reduced to a non-penalty yardage, he/she will then shoot from their reduced handicap yardage during this shotgun-shoot off. The selected shooters will shoot off based on the yardage guidelines stated above and will shoot two targets from each of the five posts. Ties will continue to be shot off in this format until one winner is crowned. The winner will be presented with the aforementioned shotgun subject to the proper transfer of this firearm as per the guidelines set forth by the winner's resident state. The necessary transfer fees incurred for the use of an FFL (if necessary or applicable) will be reimbursed to the winner by the NJSTA. Any shipping will be at the expense of the winning shooter.

By entering into this “Gun For Hire Shootout Option” the winner agrees to be photographed with anyone that the NJSTA Officers may deem necessary for the promotion of this event, the NJ State Trapshooting Championship events, and any other clay target shooting event without compensation. The winner and all other participants also agree to allow their names and photographs (if taken) to be mentioned or shown in any publication or to be put on display for the betterment of trapshooting, clay target shooting or shooting in general without compensation or appeal.

New Jersey Resident – Southern Zone vs. Northern Zone

A “Zone Team Trophy” will be awarded based on the scores of Saturday’s 16-yard Singles Championship event of the NJ State Shoot to the winning zone at the Annual NJ State Association meeting on Sunday before the start of final events. To be eligible to compete for this trophy shooters must compete at their respective zone Singles Championship Event. If a shooter competes in this zone event they are qualified regardless of their score.

After the NJ State Singles Championship Event the top five scores from “Qualified Shooters” of each zone will be added together to determine the Winning Zone. The names of the five individuals representing the winning zone will be engraved on the trophy and the trophy will be displayed at the gun club which hosts that year’s zone shoot. Each individual, in addition to having his or her name on the Zone Championship Trophy, will also be awarded a special pin acknowledging his or her participation in the event. The 2016 Zone Trophy was won by the North Team. 2016 team winners Michael Morgado (200), Marc Invidiato (199), Domain Ferrari (195), Thomas Clarke (195), and Mark Wade (195) will be presented with their pins during the state meeting at Saturday’s State Meeting.
