

Hello Fellow Shooters:

I would like to take this opportunity to both welcome you and invite you to participate in the 2014 Trap Shooting season. It is always great to see the camaraderie that brings us all together to enjoy this sport that we all care so much about.

When many state shoots are declining in attendance, the Maryland State Shoot attendance has managed to stay consistent. Last year we had contestants from 15 additional states and with the addition of 38 camp sites on the home grounds property and air conditioning in the club house, they were all accommodated. The upgrading and improvements of the home grounds facility is ongoing, so please come out and see what is new this year.

We have received great support in the reestablishment of the home grounds in Thurmont, the likes of which we could not do without your support. As always, I must again thank everyone that helped with the restoration projects, whether by monetary contributions or physical labor.

Remember that we cannot have a successful State Shoot without the support we receive from our local clubs, so try to get out and support the great clubs we have throughout Maryland and help them to survive in these trying times.

Once again we were well represented at the Grand American and by Marylanders making the All American Teams. Congratulations to all.

I hope you all have a great year and I'm looking forward to seeing and talking to you in this 2014 ATA trapshooting season.

Sincerely,  
Dave Feaga

## SHOOTER'S INFORMATION - CONTINUED

### 50 TARGETS PER TRAP

Each bank will consist of two traps and 50 targets will be shot on each trap. Shooters will be required to bring 50 shells on the line at the start of the sub-event. A rotation of five targets will be shot on each post and shooters will remain on the trap to repeat the five-post rotation.

Advanced squadding will only be permitted for a limited number of squads based on last year's attendance. All advanced squadding will be done after 12 p.m. each day for future events.

### STARTING TIMES EACH DAY WILL BE STRICTLY ENFORCED

### ENTRIES/CLASSIFICATION

It is the shooter's responsibility to see that the correct Class and/or Yardage, as well as any Special Category eligibility, are plainly marked on his/her Classification receipt.

Any contestant shooting in a Class or from a Yardage other than that assigned to him or her shall be disqualified and shall forfeit all rights to any trophies, purses, or monies involved.

### TROPHIES

Trophies cannot be shipped. Trophies will be presented after the shootoffs each day and at other times as posted on the scoreboard and in the clubhouse. Any trophies not picked up by the end of the last day of the shoot will become the property of MSSA.

No shooter may win more than one trophy in any event.

Golf carts, ATVs and similar vehicles may not be used on the premises until they are registered with MSSA. A registration sticker will be issued when proof of insurance is shown to Jean Greb. The sticker is valid for all shoots as long as the insurance is valid.

Unlicensed drivers are not permitted to operate motor bikes, golf carts, ATVs, or other motor vehicles on MSSA premises.

Questions contact Jean Greb at 410-668-0608 or [jeangreb@aol.com](mailto:jeangreb@aol.com)

## SHOOTOFFS

All ties will be shot off at shoot management's discretion. Notice of any decision to carry over any shootoffs will be made by announcement, and will be posted on the scoreboard, at the close of the last event of the day. Any contestant leaving the grounds before a shootoff, or failing to answer the shootoff call, forfeits all rights to any trophies involved.

## VENDORS NOTICE

All vendors are welcome. Please contact Joanna Hughes to register as soon as possible. Camping fees apply.

## ATTENTION ALL SPECIAL CATEGORY SHOOTERS

It is very important for you to remember the ATA Rules regarding your responsibility for declaring your special category eligibility.

When you are **CLASSIFIED** - you must tell the Classification Committee member handling your card whether or not you are eligible for any special category, and check your Classification receipt to be certain that it shows your correct eligibility.

Remember the ATA rule change regarding special categories. A shooter can declare only one special category - not two (Lady - not Lady/Vet or Junior - not Lady/Junior, etc.).

If a special category shooter ties for champion in any event and loses in the shoot off, he or she automatically falls back to the special category trophy.

You will **NOT** be eligible for any special category trophies if your Classification does not include that information.

## CLOSING TIMES

The Closing Times listed are the times the cashier window closes for that Event. If your entry is not paid prior to the closing time, you will not be able to enter that Event.

---

---

#### **\*\*RESQUADDER PENALTY\*\***

It is the shooter's responsibility to watch the board and be at the starting trap on time. No shooter will be called for his/her squad.

Any shooter missing his/her squad or changing squads for any reason other than earned yardage who desires to re-enter, shall pay a \$25.00 resquadding penalty.

No shooter will be allowed to make up more than 50 targets on the practice trap if he/she has missed his or her squad. If the shooter is unable to join the squad before they have started their 3rd sub event, the shooter must be resquadded and pay the \$25.00 penalty.

#### **SHOOTERS CAUTION**

A shooter can make only one entry per event. Once the entry has been made, the cashier will not accept additional option monies from the shooter. **POSITIVELY NO CHANGES, WITHDRAWALS, OR REFUNDS** will be allowed once the entry has been made.

**SHOOTERS ARE CAUTIONED TO CHECK THEIR SCORES** as soon as they finish shooting and the scores have been posted.

The management will not be responsible for any errors after the options have been figured and posted on the board.
